DR. H. HARROWER GIVEN HONORS ON HIS BIRTHDAY

EMPLOYEES OF LABORATORY, SEVENTY-THREE OF THEM, ARRANGE CEREMONIES

Dr. Henry R. Harrower, the director of the Harrower laboratory, is a young man, but he is reaching that period in life when one is inclined to pass by the date of his birth with a sigh and the exclamation, "My! How fast the years are going by!"

The doctor's birthday is April 30, but as the Harrower laboratory is closed on Saturdays, his employees reminded him of the event Friday morning. Mrs. Harrower's co-operation was obtained and she accompanied him to the office.

When the doctor unlocked his door the employees were crowded into rooms adjoining his office, and through a chink in the portieres some of them were able to obtain a view of Dr. and Mrs. Harrower when they entered. The expression on his face was worth snapping.

Regular Bower of Flowers

The flower gardens of the employees, as well as some of the local florists, were heavily drawn upon to decorate his office. California poppies, roses and carnations literally filled the room. It would be impossible to improve upon the doctor's sunny, buoyant disposition, but the most discouraged pessimist would have kept sweet in his private office yesterday. One of the visitors expressed it when he said it was a "rosy reception."

As a slight token of the high esteem in which the employees hold Dr. Harrower, a kodak and a framed picture of the employees were presented. Mr. Cyphers, the assistant manager, spoke for the seventy-three employes, extending congratulations, and assuring the doctor of the high regard in which his employees hold him. The doctor responded appropriately.

Like One Happy Family

From a small beginning the happy family spirit has been preserved in the laboratory even though at present the family numbers seventy-three. This is exclusive of the employees of the seven branch offices located at New York, Baltimore, Denver, Kansas City, Dallas, Chicago and Portland. At a time when there were only a few employees some one found out when Dr. Harrower's birthday occurred and from that time to the present the occasion has not passed unnoticed. The spirit of the slogan adopted by Dr. Harrower when the work was in its infancy, "At Your Service," pervades the whole office force, and the morale is of first quality.

Heretofore, the products of the Harrower laboratory have been manufactured in capsule form, but the splendidly equipped new laboratory building now houses various expensive and interesting pieces of machinery which turn the products into tablets, conveniently wrapped in strips of waxed paper, rendering them air-tight and moisture-proof. Some difficulty was experienced in keeping a stock of capsules in moist, humid climates, but the new form of manufacturing these products obviates this difficulty.

The pleasant little reception in honor of Dr. Harrower's birthday was dissolved when he personally handed the semi-monthly pay check to each member of his staff.

JUNIOR AUXILIARY MEETS

A meeting of the board of the Junior Auxiliary of the Glendale Music club was held at the high school yesterday afternoon. Delegates chosen to attend the convention of the California Federation of Music clubs, which is to be held in Los Angeles next week, were Miss Gertrude Champlain, alternate Constance Raash; Kenneth Jackson, alternate Thomas McNary.

The Junior Auxiliary has made plans to attend the convention reception, which will be held Monday evening at Hotel Alexandria. The Girls' Glee Club of the High school is to contribute numbers to the convention program Tuesday afternoon.

Those attending the reception are to meet at the high school Monday evening at 7 o'clock, and those attending Tuesday's convention are to meet at the high school at 12:30 o'clock.

BACK FROM VACATION

Mrs. Nanno Woods and two daughters, Dorothy and Kathleen, of 122 West Milford street, returned yesterday from a week's vacation at Hermosa Beach, where the girls have been resting after last week's engagement at a theatre in Los Angeles.

ELDER MUNSON RECOVERS

Elder Munson, the chaplain of the Glendale Sanitarium, is out after being confined to his home for the past ten days. He had an attack of the grip.

La Crescenta Again Votes Unanimously For School Bonds

While unanimous elections are seldom, two unanimous elections on similar questions are more so in the course of a community's life.

At La Crescenta yesterday $20,000 in school bonds were voted without a dissenting vote.

It will provide money to build necessary additions to the original school plant which was unanimously voted by the district about six years ago.

L. A. Parker and Mrs. E. N. Nettleson were the judges of the election and Mrs. J. Irwin was inspector.

Legion's Color Scheme

A color scheme in name only was worked out—or was it in—at the American legion last night when two former service men were initiated into the order.

The contrast in the motif was easily discerned, it being a case of Black and White, the latter tall and the other short.

Paul A. Black and Manton L. White, both battery electricians, were the novitiates into the order of which E. O. Kiefer is commander.

PUT ENTHUSIASM IN RELIGION, URGES EVANGELIST

STORY OF RICH YOUNG MAN TOLD BY REV. BROWN IN ADDRESS LAST NIGHT

Saturday, 6:45 P. M.—Prayer Meeting.
Saturday, 7:30 P. M.—A Brown Special.
Sunday, 11 A. M.—Subject: "Invoicing."
Sunday, 2:30 P. M.—Sunday School Mass Meeting, "Choosing the Heights."
Sunday, 6:30 P. M.—Young People's Rally.
Sunday, 7:30 P. M.—Subject: "Where Satan Sows His Seed."

Last night witnessed another large rally at the tabernacle. The students from the high school were out in force. Another delegation were the employer and employees of the J. A. Newton Electric company.

Following the song service and solos, "His Eye Is on the Sparrow," and "I'm Not Forgotten," by Chorister Ironmonger, Evangelist John E. Brown announced as his subject, "A Religion of Enthusiasm," Scripture text, Mattheew, tenth chapter. The story of the rich young man who came to Christ inquiring the way of eternal life. Said the evangelist:

"I wish that I had the power this evening to have you all see the characters in this lesson. Jesus on His final trip to Jericho. And as He goes He is daily ministering to the large crowds; from His lips are falling those wonderful sermons; with his hands He is performing those wonderful miracles; taking little children into His arms and blessing them. And as He is proceeding along the way there comes a young man running to meet him, and falling on his knees he looks up to Christ and asks this greatest of all questions: 'Good Master, what shall I do that I may inherit eternal life?'

Wealth and Distinction

"Let us pause a moment and look at this scene and note the contrast. The rich young man dressed in the costume of a nobleman with the marks of wealth and distinction upon him, kneeling at the feet of one who was dressed in the garb of a peasant. The young man in the strength and vigor of his manhood must have been an attractive personality; for the record says, 'Jesus, beholding him, loved him.' He came to Christ in his youth. Let me remind you that this is the time to come, and I beg of you, young people, to give to God the fragrance of your youth; Christ demands it of you as a reasonable service.

"When I first entered the work I made a special effort to reach old people, and it has cheered my heart to be able to bring old people into the fold. One I have in mind, 92 years of age; and I am always glad to see the aged and middle aged saved, but I am particularly interested in young folks. Save an aged person and you save a soul; get a young person started and you have a soul plus a life of usefulness before them.

"Let me again call your attention to the facts concerning getting people into the kingdom. Every nine out of ten come into the church before they are 20 years old. From 20 to 25 only one out of a hundred is reached; from 25 to 40 only one out of a thousand, and from 40 to 60 only one

LOCAL LEGION POST TAKES ACTION TO AID DISABLED

LEGISLATION BY CONGRESS TO BENEFIT WAR HEROES GIVEN ENDORSEMENT

By a unanimous vote, Glendale post, No. 127, American legion, last night, in regular session indorsed legislation by congress in this special session which will benefit the disabled former service men.

Attorney James F. McBryde, chaplain of the post, called the attention of the Legionnaires to the crying need of hospital facilities and vocational training and told of the neglect in classifying the wounded men who fought for their country.

This he attributed to a lack of funds, stating only $18,000,000 of $35,000,000 asked for hospitals was granted by congress. Similar resolutions to the one adopted by the local post are being mailed and wired to congressmen and senators at Washington with a view of getting action on a long deferred program of caring for America's war heroes.

Defer to Revival Campaign

On motion of Jamie Shea, chairman of the entertainment committee, all events scheduled will be deferred until the John Brown revival meetings close. A letter to this effect is being sent to the evangelist.

Appeals were made in behalf of the disabled service men at Thornycroft in order that any requests made by them will receive prompt attention. The lapsation committee reported progress in bringing members into good standing and Chairman Bullis of the program committee promised a good boxing show on May 27.

Women may be invited. That subject was discussed, but definite action was left to the chairman of the program.

TOTAL OF $761 IS SECURED TO CITY BY RECORDER

JUDGE F. H. LOWE HANDLES 162 PLEADINGS IN MONTH, MOSTLY AUTO CASES

City Recorder F. H. Lowe reports that he has collected $761 from the 162 cases handled in the city court during the month of April.

Following are the charges, principally traffic law violations: Open mufflers, 50; speeding, 43; turning between intersections, 15; cutting corners, 10; parking in safety zone, 9; improper lenses, 9; obstructing fire hydrant, 6; no rear light, 4; driving on wrong side, 4; no license, 3; damaging roadbed, 1; reckless driving, 1; leaving engine running, 1.

Cases other than traffic misdemeanors included two insane, two drunks, one violation of the trademark act and one disturbing of the peace.

REV. FORD IS POISONED

Rev. E. Ford, pastor of the First Baptist church, could not resist the call to the open, so he went for a hike up in the Verdugo mountains. It is not known whether he went into Dead Horse Canyon or not, but it is a fact that he did get into poison oak. As a result he has a swollen face, depriving him for a few days of the pleasure of attending the tabernacle services.

SOUTH LOUISE, LOOK!

F. A. Marek, city forester, would like to confer with the "South Louise street residents" who have written him regarding the planting of trees between Maple avenue and Chestnut street. "We have plenty of trees if we can place the responsibility of caring for them on some one," he says.

VISITORS FROM ILLINOIS

Mr. and Mrs. O. A. Lane of 209 East Chestnut street had as visitors this morning Miss Emeline Amerman and Miss Charlotte Amerman of Onarga, Illinois. The Misses Amerman will be guests of Mr. and Mrs. Lane for several days next week.

ATTEND STATE PICNIC

Dr. and Mrs. Vanderhoff of East Chestnut street and the Misses Emeline and Charlotte Amerman of Onarga, Illinois, are attending the Illinois state picnic today at Sycamore Grove.

LAURENCE COLINA INNOCENT

Laurence Colina was acquitted this morning in Justice of the Peace Harry Miller's court on a charge of selling liquor to minors.

Teddy Foils Burglar In Attempt To Enter Home; Yes, He Is Dog

Teddy foiled a burglar.

Who is Teddy, you ask?

Why all real dog heroes are named Teddy.

In this case it is the name of the bulldog owned by Horace Anderson of 454 West Maple avenue, son of Mrs. A. K. Anderson. At 9 o'clock Thursday night Teddy was waitiing for Mrs. Anderson, who had gone to the picture show. He evidently thought he could find her at H. S. Webb company dry goods store, where she is employed, and was trying to get in at the rear entrance.

But, someone else was also trying to get in, and that someone was not Mrs. Anderson. The result, as told by occupants of the Glendale apartments over the store, who heard the commotion and went to investigate, was that Teddy gave chase to the man who had tried to gain entrance.

Investigations made by James L. Browne of the Glendale Patrol and Fire Dispatch showed marks of a burglar's jimmy.

J. A. NEWTON HOST AT BANQUET FOR EMPLOYEES

BUSINESS PLANS ARE UNDER DISCUSSION; SERVICES AT TABERNACLE ATTENDED

The employees of the Newton Electric company were tendered a banquet at the White Inn last night, places being set for thirty-two. Tables were placed to form a large "U" and were decorated with bouquets of Cecil Brunner roses.

Mr. Newton leaves soon for the east and it was for the purpose of discussing business plans and arrangements that the employes were called together.

After the banquet the party went to the tabernacle and attended the services there in a body, two rows of seats being reserved for them.

Those present included Mr. and Mrs. J. A. Haines, Wm. M. Newton, Mrs. W. R. Newton, Merle Newton, Mr. and Mrs. A. M. Kelley, Mr. and Mrs. H. M. Briggs, Mr. and Mrs. Ed Randall, Mr. and Mrs. George Britton and daughter June, Mr. and Mrs. Jake Haines, K. Erb, Miss Gertrude Champlain, Mr. and Mrs. Harry Wilson, Leroy M. Mason and mother, Mrs. Mason, Mr. and Mrs. A. W. Van Loon, Mrs. Turtoy, Mr. and Mrs. H. E. Alexander, Miss Marie Myers, W. E. Hibbard, Miss Gray and Mr. and Mrs. J. A. Newton.

MODERN WOODMEN DRILL

The officers and drill team of the Pasadena camp of Modern Woodmen of America put on an exhibition drill last night on West Broadway, between Brand boulevard and Orange street. The organization of a Glendale camp is under way. There are about 100 members of other camps who are living in Glendale, which will form a nucleus of a local camp. During the process of the drill last night fifteen new members were signed up. Attorney Henry Molz of 363 West Lexington Drive is taking a prominent part in the organization of a camp in Glendale.

TO LEAVE FOR CHICAGO

Miss Cora Powell of 410 East Elk has returned from a visit to Taft, Calif. Miss Powell is planning to return to Chicago next month. She has made a host of friends in the First Baptist church and elsewhere, who will regret her departure. She plans to return to Glendale eventually, but does not know just when that will be.

ATTEND ANNUAL BANQUET

A group of Glendale ladies who attended the annual "founders' day" banquet of the Pi Beta Phi sorority, which was held at the California club, Los Angeles, Thursday, included Mrs. Perce Curtis, Mrs. Frank Parr, Mrs. Smith and Mrs. Frank Ayars.

PURCHASES BUNGALOW

Mrs. Rolf, residing with her daughter and son-in-law, Mr. and Mrs. Mack Strothers, at 410-A East Elk avenue, has purchased the new bungalow on South Kenwood built by Rev. Clifford Cole. They are preparing to move in the first of the week.

SPRAINS HER ANKLE

Mrs. Arthur, residing at 212 South Central, had the misfortune to sprain her ankle last week. She has now sufficiently recovered to be around and look after her flowers.

Today's World News In Brief

(By United Press to Glendale Evening News)

GERMANY SENDS EXCUSE, NOT GOLD, TO ANSWER ALLIES

PARIS, April 30.—The German embassy here sent a note to the reparations commission, refusing to deliver the reichsbank gold.

ALLIES MEET TO REACH DECISION ON GERMAN PENALTY

LONDON, April 30.—The supreme council met in Downing street at 4 o'clock this afternoon to reach a final decision on penalties to be exacted Monday from Germany for failure to meet her reparations debts.

ALLIES TO DEMAND GERMAN RIGHTS IN CONCESSIONS

PARIS, April 30.—The reparations commission will demand that Germany transfer to the allies all rights and interests held by her government and citizens to concessions and public utilities in Russia, Austria-Hungary, Bulgaria and Turkey, it was learned today.

MANY INDICTMENTS AGAINST ALLEGED BUILDING TRUST

CHICAGO, April 30.—The federal government hit at the alleged "building trust" in Chicago today when indictments were returned against 110 corporations and individuals by a federal grand jury charging monopoly and restraint of trade under the Sherman act.

EMERGENCY TARIFF BILL IS REPORTED BY COMMITTEE

WASHINGTON, April 30.—The Young emergency tariff bill was reported today by the senate finance committee. The bill will be called up in the senate Monday, Senator Penrose, chairman of the finance committee, said. He expressed the belief it will be passed within a week.

HARDING IS MAKING INQUIRY INTO SHIPPING DISPUTE

WASHINGTON, April 30.—The first attempt of marine workers to have President Harding personally take a hand in the strike threatened for tomorrow failed today. Harding, however, indicated he is making a careful inquiry into the dispute which threatens to tie up American and coastwise shipping.

FRANCE PLANS TO MOBILIZE MILITARY CLASS OF 1919

PARIS, April 30.—Plans were completed today for mobilization of the military class of 1919 to cover a period of eight days. This levy will total 130,000 men, not including students or men in the devastated areas, who are exempted. Only word from the supreme council at London is necessary to start the work of concentration.

STRANDED SUBMARINE BEING RESCUED FROM SHOALS

NEW LONDON, Conn., April 30.—The submarine O-10 was being slowly pulled off the Montauk Point shoals today. She ran aground at 4:30 a. m. A cable was passed to her in mid-morning and the coast guard cutter Acushnet and the tugboat Lykens began hauling her into deep water. Lieutenant T. Carr commanded the submarine, the crew of which totaled three officers and twenty-six men.

U. S. TREATY OF PEACE WITH GERMANY TO COME SOON

WASHINGTON, April 30.—A treaty of peace with Germany probably will follow the Knox resolution declaring at an end the state of war between the United States and the central powers, Senator Lodge, chairman of the foreign relations committee, told the senate today in a speech on the Knox measure. Lodge's statement is the first definite intimation of the Harding policy in this respect and it was accepted as meaning that a separate peace will be made.

CHICAGO POLICE INFORMER IS RIDDLED WITH BULLETS

CHICAGO, April 30.—Chicago's underworld "got" its worst enemy early today when the body of John L. Mahoney, informer, was found riddled with bullets in the "bloody nineteenth" ward. Mahoney, it was said, told the police the inside story of the political assassinations in the "bloody nineteenth." He has made several trips to the state's attorney's office lately. It was also thought that he was divulging information about robberies and bootlegging.

FIFTY BRITISH COAL MINES DESTROYED BY FLOODING

LONDON, April 30.—Fifty coal mines already have been destroyed by flooding, it was officially announced here today. This indicates the extent to which the entire structure of British industry is collapsing under pressure of the miners' strike. Further evidence of the growing industrial paralysis was shown by these conditions: Only thirteen steel furnaces are operating, of a total of 500. Train schedules have been reduced 50 per cent. All express trains have been discontinued.

FIRM UNDERTONE SHOWN AT OPENING OF N. Y. MARKET

NEW YORK, April 30.—Most of the list showed a firm undertone at the opening of the stock market today. Despite the statement of H. G. Wyllie, general manager of the Doheny oil interests, that Washington reports of threatened depletion of the Mexican fields were "a plot," Mexican Petroleum slumped a full point, but then rallied 2 points to 147½. Pan American sold down to 69. United States Steel was off ⅛ at 82⅞. Crucible, after losing 1 3-8, at 80 5-8, quickly jumped to 82. Bethlehem B. was unchanged at 58¾. Kelly-Springfield again led the tire shares and ran up to 51⅞ shortly after the opening, a net gain of 1½ points and a new high for the year.

GERMANY ONCE MORE SEEKS TO HALT RUHR INVASION

LONDON, April 30.—Germany resumed direct negotiations with the allies today, following failure to communicate through the United States her latest reparations offer. Lord D'Abernon, British ambassador to Germany, arrived from Berlin with the new German proposal, which exactly duplicated that which she sought to present through American diplomatic channels. The amounts were $12,500,000,000 in a lump sum or $50,000,000,000 over a period of years. This offer already had been characterized by the allied spokesmen as "unacceptable." This latest move on Germany's part was generally regarded as a final effort to avert occupation of the Ruhr district as a penalty for nonpayment of the reparations installment the allies claim as due Monday, but which Berlin contends already has been paid.

ABOUT $400,000 IN BUILDING RECORD SET BY APRIL

TOTAL FOR YEAR TO DATE IS $1,208,347; PERMITS FOR LAST 48 HOURS GIVEN

April's building record in Glendale closed this noon with approximately $400,000 permits issued by the city building inspector's department. The total for the month is $393,418 and $1,208,347 for the year to date.

While there seems to have been a little less speed the middle of the month, building operations are now in full swing here and May brings promise of being a record breaker.

JOHN BENDER PLANS SCIENTIFIC WORK IN NEW MEXICO

LOCAL MAN WILL ACCOMPANY PROFESSOR R. A. STERNBERG, NOTED ARCHAEOLOGIST

John Bender, popular local student of the California School of Technology in Pasadena, has announced that he will leave Glendale next week on a trip for scientific research work. He will go as an assistant and companion of Professor R. A. Sternberg, an archaeologist of San Diego.

The trip will first take the two scientists to New Mexico, but if the desired fossils are not found in that state they will then journey as far north as Canada. The excursion will last for several months, the men expecting to return sometime during the summer.

Mr. Bender is the son of Mrs. H. . Bender of 407 Cameron Place.

FOR FOURTH OF JULY

Proposals for a Fourth of July celebration were considered by a committee composed of City Manager T. W. Watson, L. T. Rowley, A. R. Eastman, A. T. Cowan, Capt. T. D. Watson and Capt. Raymond Wells, the latter of Burbank, at a luncheon held at the White Inn today.

REPORTS AUTO STOLEN

J. C. Burton, 114 West Windsor Road, reported to the police today that his Ford car had been stolen from in front of a local theatre last night. Forest Okerlund of 3358 LaClede avenue, and Mrs. E. Wellons of 417 East Palmer reported bicycles stolen.

Mr. and Mrs. Fred Ogger of 902 East Windsor Road have moved to 601½ South Adams street.

Mrs. Della Southworth of Los Angeles is the week-end guest of Mr. and Mrs. Oscar Stees of 240 South Glendale avenue.

Mrs. Huckendorf of Los Angeles spent an afternoon in Glendale recently calling on a friend at Mrs. Mock's sanitarium.

Miss Esther Hagen of 1101 South Glendale avenue has as her house guest for several days Miss Susie Maynard of Anaconda, Montana.

Mr. and Mrs. Theodore F. Peirce and daughter Patricia of 317 West Vine street and their house guest, Mrs. C. O. Mack of Vermont and Mr. Peirce's father, Charles R. Peirce, spent several days recently at Murietta.

Mr. and Mrs. L. G. Sherman of 316 West Lexington Drive had as their guests Thursday evening Mr. and Mrs. A. W. Maxwell and Mr. and Mrs. A. W. Crossman of Los Angeles, Mrs. Georgia Waggoner and Mr. and Mrs. Arthur Sherman of Glendale.

Members of the Glendale Commandery of Knights Templar and their ladies who attended the ball given last night by the Hollywood Commandery included Mr. and Mrs. P. J. Priaulx, Mr. and Mrs. David Crofton, Mr. and Mrs. Dan Campbell and Mr. and Mrs. S. S. Gilhuly.

Little Virginia Nicholson, 5-year-old daughter of Mr. and Mrs. W. H. Nicholson of 1215 East Wilson avenue, who stumbled over a stick in the yard of her home several weeks ago, breaking her arm in three places, which necessitated it being in a plaster cast, has had the cast removed and is now able to use her arm a little.

Mr. and Mrs. F. A. Olson of 400 North Maryland avenue returned Thursday from a delightful trip to Redlands and Yucaipa, where they visited the apple groves. Mrs. Olson stated that some of the late apple trees are now in blossom. A number of ranchers in that district complained of the frost having damaged the cherry trees.

Lee Manson, former resident of 437 West Dryden street, has written to local friends that he and his wife are planning on returning to Glendale next fall. At present Mr. Manson is residing at Atlanta, Georgia, where he is employed by an electrical concern. After his discharge from the army in that city Mr. Manson married Miss Telia Miller, an old sweetheart for several years.

Locals And Personals

Mrs. H. P. Coker was a week-end business visitor in San Diego.

Mrs. P. Jensen is enjoying a visit with her brother from Chicago, Illinois.

Miss Jacoba Barnas of 444 Salem street leaves tomorrow afternoon for a week's visit with friends in San Diego.

The Shakespeare section of the Tuesday Afternoon club meets Monday at the home of Mrs. A. J. Cookman, Hawthorne and Pacific avenues.

Mrs. M. Perry of Anaheim is the week-end guest of Mrs. L. C. Yeoman of 113 North Orange street. Mrs. Yeoman attended the Orange County W. C. T. U. convention yesterday.

Mothers' Day will be observed by Chapter BA, P. E. O., at its regular meeting, May 6, which will be at the home of Mrs. Edith Arnold, 211 East Lomita avenue.

Mrs. C. S. Archer, president of the Loyal Women's Sunday school class of the Central Christian church, entertained the members of the class Friday afternoon at her home, 607 East Elk avenue.

A combined meeting of the four Glendale chapters and Chapter "U" of Burbank will take place next Wednesday, when the ladies will enjoy a social session and luncheon at La Ramada restaurant.

Mrs. Alex. McVickers attended Ladies' Aid at Highland park and enjoyed a visit with old friends one day recently. Mrs. McVickers moved to Broadway a little over a year ago from Highland Park.

Mr. and Mrs. Warren Roberts, who have been living in their garage at 617 East Elk avenue until the completion of their beautiful ten room house on the front of the lot, are busy moving into their new home today.

Harry Hall, of Tanner & Hall, Ltd., local Buick agents, accompanied by his wife, Mr. and Mrs. A. L. Baird, Mr. and Mrs. Herman Nelson and family and others, left early today for a week-end trip to Big Bear Valley where they will enjoy the call of the open.

The friends of Miss Blanche Morris, niece of Rev. and Mrs. C. R. Norton of 801 East Wilson avenue, will be pleased tto know that she is able to be up after a rather serious illness. Miss Morris has been visiting the Nortons for several months. Her home is in Iowa.

E. J. Smith of Los Angeles and W. J. Vogges of Long Beach were guests last night of Henry Schimmer of 715 South Louise street. They were intimate friends years ago in Rock Valley, Iowa, and naturally enjoy recalling experiences of their younger days.

Mr. and Mrs. Hal Davenport of this city recently entertained several old Iowa and Nebraska friends, among them being Mr. and Mrs. Will Lanterette, former neighbors of the Davenports at Cedar Rapids, Iowa, and Harry D. Wilson, a prominent banker of Nebraska City, Nebraska.

Mr. and Mrs. Roy Wilson, who were recently married at the home of Mrs. Alice Watson, this city, will leave this evening on a week's honeymoon trip to the central part of the state. The trip will be made via automobile and the newlyweds will spend the time in the open, camping out every night.

Mrs. Hattie E. Gaylord of 315 North Cedar street spent the first part of the week visiting friends in Los Angeles. Last week Mrs. Gaylord was the guest of Pasadena acquaintances while she attended the state W. C. T. U. convention held in that city. She was one of the delegates from the Glendale society.

Of the hundreds of local nimrods who will help usher in the 1921 trout season which opens tomorrow morning Fred Butts, of the Monarch Garage, this city, and Wilfrred Sutton of Eagle Rock, will attempt to catch the limit at the famous old Malibou canyon. The young men will get an early start and are planning on leaving Glendale late tonight.

Miss Bess Wright, who has been conducting a shop for one of the Los Angeles dry goods firms at the Beverly Hills hotel, has closed the shop for the season and is visiting her parents, Mr. and Mrs. J. B. Wright of 446 West Maple avenue. After a few days, she, accompanied by her sister, Mrs. N. M. Knaus, will go to Catalina Island for a short vacation.

The members of the Madrigal club were entertained at luncheon yesterday at the home of Mrs. L. E. Richardson, 1856 South Brand boulevard. Roses were used for decoration throughout the house. The afternoon was spent socially, several of the members rendering vocal solos. Next Thursday the Madrigal club will be entertained at the home of the director, Mrs. C. A. Parker, who will be assisted by Mrs. Wright.

POETRY AND PROSE

"Dancing is the poetry of motion." "Maybe it is," answered Senator Sorghum. "But give me the solid prose of a march upon the avenue to an old-fashioned patriotic tune."

An empty threat is often full of fear of the thing threatened.

HOLD FAST

to your Life Insurance Policy, in whatever company it happens to be! Let no temporary condition in your work influence you to give up your policies. Sacrifice all of the luxuries and some of the necessities, if need be, to maintain your policy in good standing.

No sordid, commercial motives prompt this good advice because we speak from nearly half a century of experience when we say that if you DO let your insurance lapse, the time will surely come when you will bitterly regret it.

"Hang on!"

The above is an "ad" which recently appeared in a Pittsburg paper. I say "Amen."

Put Enthusiasm In Religion, Urges Brown

(Continued from Page One)

out of ten thousand. It is neither brave or just to waste the best part of your life and then hand over the remnant to God. May God save the middle aged and old, but most of all the young, I pray. This young man was rich. One of the great mistakes of life is to think that if we can become rich that we can enjoy most everything else in life worth while.

"In my work up and down the land I have been entertained in some very fine homes, and I can recall only one of that type that was a happy home; and the head of this home was a Godly man; a tither who always said grace at the meal; who observed the family altar; who attended church when its doors were open for service. In short was an exceptional type of rich man, who refused to allow his riches to crowd Christ out of his life. He was a mountain for good in his community.

Six Millions in Six Years

"I stood in the presence of another rich man. He had made six millions in six years, but his life was bitter; his health shattered. I have but little myself, but I am richer than he.

"In company today with Mr. Ironmonged and Mr. Clark we drove through the rich residential section of a neighboring city, and as I looked at these fine homes I could but ask myself: 'Do these fine homes contain tragedies or happiness?' No, the dollar is not the most of real success, and I hope that the schools of Glendale have a higher aim for its young life than to teach that money-making is the goal. It was Count Tolstoy who told a discontented man, 'Happiness is not what you have, but what you are.' I would rather be a pauper and feel like a king than to be a king and feel like a pauper. Riches bring neither contentment or happiness. Josh Billings wrote that a man with too much money was like a fly drowning in a barrel of molasses.

"The rich young man was a nobleman. He moved in the best society; and do you know it, some people will let society and what society may say, keep them out of heaven? Let me tell you tonight that there are two kinds of society. The real and the superficial; and fortunate, indeed, is that young person who keeps out of the latter kind. This cheap society is the cheapest thing this side of paradise. With its high heel shoes and low heeled dresses—the kind of society that keeps you away from the prayer meeting and Sunday evening services. And then when you get a little more money you can't ever get out to the Sunday morning service. But there are better brands of society—the heavenly aristocracy. When you are out and out for Christ, and when you are in this society you can walk this earth like kings and queens.

Was Not Satisfied

"This young man made a discovery. He was not satisfied; he had a longing that neither money or society could satisfy; and this is true of every young man or woman. You all have a longing for God. So the young man did the wise thing—he turned towards Christ and ran; he became enthused. Some good people are very much concerned over emotion. Healthy emotion is a good sign; life is action.

"If the devil had his way he would have the church put its religion on ice. Nothing is quite so dignified and orderly as a corpse. Now, when it comes to sport, and I believe in it, is there any danger of too much enthusiasm? When a good hit is made or a goal made; every great victory in this old world of ours is largely the result of emotion. What we need is a wave of the good old-fashioned enthusiasm. The kind that the Holy Spirit brings. I would like to see the young people of Glendale come running to the front seat, seeking Christ and eternal life. Where do we get the notion that religion is a cold, dignified embalmed thing? In Christ's time the old Pharisees were annoyed by the loud Hosannas, and wanted Christ to rebuke them; but Christ answered that 'if they held their peace the stones would immediately cry out. The women at the well was so enthused that she left her water pail, hurried into the city and brought the city out to see the Christ who gave the water of everlasting life. No hobble skirts to hinder her enthusiasm!

"For two years I have been a wanderer, away from home and wife and children, but I want to tell you it is the two best years of my life. How shall I get the eternal life? If you have it you know it. I wonder how many here have it; I am not going to ask you; answer to God. How I wish that everyone here tonight was 'saved in the good old-fashioned way. Put God to the test. Every saved man wants Christ in his heart in an unmistakable way. Put determination into your life. If there is any sin ask Christ to pull it up by the roots; be willing to let Christ choose for you in the way of amusements; give up self unconditionally; take your eyes off from yourself and place them on Christ. The sad part of the incident was that the young man did not heep his eyes on Christ; first looked at Christ, then at self; again at Christ and again at self. He lacked character and was lost. Went out with a sad heart and into oblivion. When I was 18 years old I decided for Christ; made a final determination. I am looking for a crown that shall not fade away; nothing can attract me to anything less. The man or woman who turns his back on Christ goes out to doubt and death. I am beseeching you tonight to get this life that fills, thrills and saves! Come on, take me by the hand! Come on, into the inquiry room and make Christ your eternal friend!"

Let Us Cross Off the Tedious Toil of Wash-day

Let us cross off your calendar the tedious toil of washday—the heavy lifting, the steamy, messy fretting and fussing.

Just bundle up everything that needs washing and call for our driver. We'll wash your things in a velvety smother of the purest, mildest suds. We'll rinse them again and again in the clearest of rainsoft water, and we'll iron with professional skill all of the large, heavy pieces.

Your underwear, stockings, and other woolens will be dried and fluffed, wrinkles smoothed out, in a gentle warm breeze.

Delighted homemakers who have tried it find it is economical, and it's wonderfully thorough, too, and so saving on you and your clothes.

Have our driver call.

A PARTICULAR TEMPERAMENT

"What was the matter with that lady who just hurriedly left the store?" asked the grocer.

"She found fault with potatoes," replied the clerk.

"What was the matter with the potatoes?"

"She didn't like the color of their eyes."

With the recent death of James Jones, aged negro employe in the senate office building, the whereabouts of the official seal of the Confederacy, an unsolved mystery for half a century, probably will ever remain unknown. Serving as Jefferson Davis' servant when the Confederate chieftain was captured, Jones buried the seal before the federal authorities could obtain it.

And then again, the trick is to get one blade of grass to grow where none grew before.

It is easier to go down hill than to back up, but this is the point; you can back up.

Everything comes to him who goes out and clubs it and drags it in by the ears.

Local Ford Agency Making New Record And Jesse E. Smith Will Have To Celebrate Again

Local automobile enthusiasts have been watching with no little interest the attempt of the Glendale Ford Agency to break its last month's record of Ford Sales. It will be remembered that during March the sale of new and used cars reached 100, a record-breaking number. On April 12, at the banquet given by Mr. Smith to his employes in celebration of this record, the selling force pledged themselves to break the record this month by selling 100 new cars alone. Many thought this could not be done and excitement has run high during the past few weeks and at times it was thought that the record could not be made.

However, as this issue of The Evening News goes to press, the 100th new car order has been turned in, and the month is not yet up, so it is quite probable that this number will be exceeded. In addition to the new car sales, forty-three used Fords have been sold in April making the grand total 143 cars for the month of April.

During the first week of the month, twenty-nine cars were sold, during the second, eighteen cars, and during the third thirty-one, leaving twenty-two to be sold in the last week.

This record sale is due no doubt to the enterprising spirit of Jesse E. Smith, the Ford agent, and the confidence which he has inspired in both his employes and customers. It is this spirit that has built up the reputation that Glendale now holds for leading in everything that it undertakes, and this spirit is making for a future Glendale that will be known throughout California for its "pep."

Plans are now under way for another celebration similar to the banquet given last month, and many are the happy smiles seen around the sales rooms at Broadway and Kenwood, because when Jesse E. Smith celebrates, he celebrates.

The longest continuous stretch of hard surfaced road, east of the Mississippi river, 700 miles in length, is from Portland, Me., to Washington, D. C.

HENRY FORD IS NOW TURNING OUT 3000 AUTOS DAILY

RAISES MONEY THROUGH HIS LIBERTY BONDS; DOES NOT NEED HELP OF BANKS

The Ford Motor company is employing more than 32,000 men, turning out better than 3000 cars a day, and is going it alone in so far as finances are concerned. A report received by B. L. Graves, manager of Los Angeles branch of Ford Motor company, says that Mr. Ford is not seeking financial assistance and for the time being is operating successfully without it.

He expressed his determination to go ahead with production without financial help and bank representatives advised him that they felt confident Ford, under the circumstances, could do this successfully.

This advice was given in view of the fact that Ford had reduced his indebtedness to around $24,000,000 by the conversion of Liberty bonds, which has been deposited as collateral to secure the loan. The further fact that Ford cars were selling steadily and that the company was reducing its inventories at a good rate prompted the bankers in offering their suggestion that it would be possible for Ford to operate without financial help.

Operates on Own Money

The situation is, therefore, that Ford is operating on his own money and apparently succeeding. There is always ahead of him the beacon light furnished by the bank syndicate representatives, that any time he needs money he can get it by a brief telegram to New York, intimating that conditions will be satisfactory.

It can be stated positively, also, that these conditions do not impose in any way control of the Ford factory or even a bank representative in any authoritative position except that the treasurer selected by the Ford Motor company must be a man acceptable by them, said Mr. Graves.

Successful operation of the big organization without help would be the best tonic that could be given the industry, it is urged. The New York bankers naturally are heavily involved in automobile financing, and their representatives state frankly that they would be gratified if Ford could operate successfully on his own hook for the stimulus afforded the industry.

HOW TO DRIVE IN MOUNTAINS TOLD TO MOTORISTS

B. G. SUTHERLAND GIVES TIPS TO THOSE WHO SEEK TO OBSERVE 'SAFETY FIRST'

While demonstrating the Gardner and Liberty cars in hills which surround Glendale, B. G. Sutherland, local distributor at 230 North Brand boulevard, gives his buyers some very good advice on how to drive in the mountains, for that is where the Gardner or Liberty cars will lead this summer.

In the interest of "Safety First," motorists should follow the following pertinent suggestions made by Mr. Sutherland to a representative of The Glendale Evening News yesterday:

"Don't be afraid to sound the horn. I always keep mine in good order and 'ring' it while rounding each curve, especially when going down grade and the other fellow is apt to be crowding the road.

"The same applies when you are between two passing points and see a car leaving the next double width stretch toward which you are driving. Give the other fellow a chance to wait. This refers alike to descending or ascending.

Watch Your Brakes

"Keep the radiator full for an engine stalled makes your motorcar a dangerous obstruction on a mountain grade. The brakes, too, always must be kept in good condition. And most important of all, drive slowly. Remember that the machine climbing has the right of way and be careful that the driver of your car has an unobstructed view.

"If you are wise you will take along a couple of extra casings, two or three inner tubes, a jack, pump, couple of sleeves and towline if you plan a protracted camping trip. Give the engine a long drink of oil and carry a reserve supply of gas, oil and water. It will pay."

Philadelphia Battery Has Glendale Agency

The Psenner & Doll Auto Electric company of 610 East Broadway, Glendale, has been appointed the official service station and the sales agency for the Philadelphia Diamond Grid Battery in Glendale and vicinity. The Philadelphia is a most popular battery among auto owners, due to the manufacture's two-year guarantee, which faet, coupled with the enterprising business methods of Psenner & Doll company, insure a ready sale.

Battery Filler Can Be Made From Bottle

A handy contrivance for use in filling storage batteries may easily be fashioned by the car owner. It consists of an ordinary milk bottle provided with a stopper to keep dust out and tubes to pour through and admit air while pouring. A two-hole rubber stopper is procured, and into one of the holes is inserted a glass tube as long as the bottle is high. This serves as the air vent. Into the other hole is put a three-inch piece of glass tube, with one end projecting enough to permit a short length of rubber hose being placed over it. The filler is then complete, and it will be found in use that economy both in time and distilled water is effected.

Community Concert By Glendale Music Club

The Glendale Music club has made plans for a community night concert to be given in the Glendale Union High school auditorium Friday night, May 6, beginning at 8 o'clock.

The entire program will be presented by the Glendale Music club, assisted by Nevin quintette, Madrigal club, Girls' Glee club of Glendale Union High school, Mrs. Catherine Shank, soprano; Mrs. Enona Hopkins, harpist, and Elia Faggioli, tenor, all residents of Glendale.

Members of the four clubs assisting in the presentation of this program are each entitled to bring one guest. A small admission charge will be made for additional guests.

Announce Changes In Auto Club Department

Important changes in the governing personnel of the insurance-at-cost department of the Automobile Club of Southern California are included in the announcement just made here that D. C. Mitchell will be assistant-manager, J. Clarke Buchanan, underwriting manager and Roy G. Putnam traveling representative.

According to a club announcement to the membership in general, the success of this policy, providing insurance to southern California motorists at cost, has reached a phenomenal height this year necessitating the new readjustment.

Congratulations to the southern county representatives of the club and to those working in its interest have been expressed by Ralph Reynolds, manager of the insurance exchange. It is pointed out that the rapid increase in automobile sales during the past thirty days is indicative of the continued incline in the automobile market which promises well for automobile sales this summer in the southern part of the state.

The evil that men do lives with them.

Jellison & Kinner's Business Grows Fast

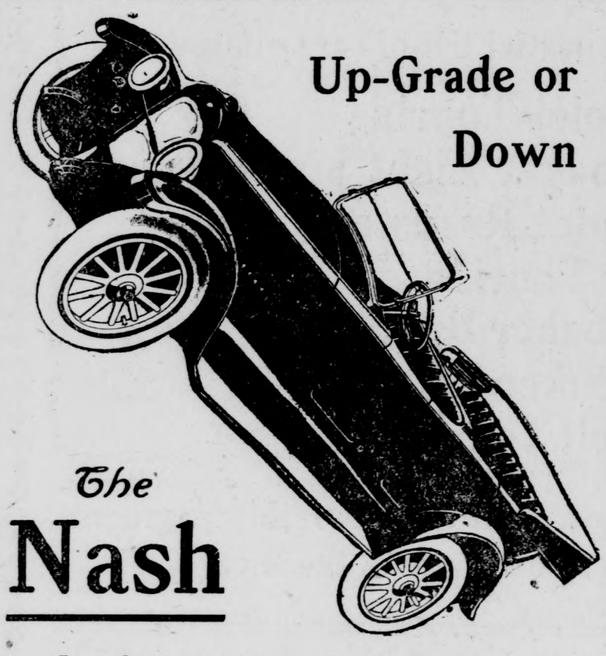

Jellison & Kinner of the J. & K. service station and garage, 1006 South Brand boulevard, are prepared to supply the entire San Fernando valley on rims and rim parts for any machine that has been manufactured in the last five years. They are selling rims at the same price to dealers as Los Angeles wholesalers, as they have the San Fernando Valley distributing agency. In addition, however, they retail to the motorist who brings his car to their shop for repairs.

The J. & K. garage also handles Savage tires and hopes to become a distributor for that line also. According to H. H. Kinner they have done $1500 in tire business the first three weeks of April. Which is indicative of the volume of business Messrs. Jellison and Kinner are able to attract to the establishment over which they have recently assumed management.

CARD PARTY IS SUCCESS

A card party was given at the White Inn last night under the direction of Mrs. Wm. Brummel, chairman of the children's booth committee for the May festival, which is to be given by the ladies of the Holy Family Catholic church at La Ramada, May 7. There were over fifty people present and $27 was cleared. High score for "500" went to Mrs. Fakler and J. Hartman, and for "whist" to Miss McCouvery and Andrew Keller. Punch, coffee and cake were served during the evening.

At the silver tea given Tuesday at the home of Mrs. V. Rapp, 403 Cameron Place, $63 was cleared, which will be used for the building fund, as will the money from the bazaar.

'The Devil' To Show For Last Time Tonight

Dr. Muller was called by his friends a "dear, amusing person." A little eccentric, perhaps, but charming and a wonderful host, and so interested in your welfare. His disinterested advice never aroused doubts as to his sincerity in the minds of those he played with as a child plays with its toys.

But, Dr. Muller's sole thought was to convert all things good and true into evil. He was evil, and his friends were mere puppets that he manipulated at will to further his evil designs—a sport he revelled in.

George Arliss portrays Dr. Muller as "The Devil," on the screen at the Glendale Theatre for the last times today.

Tomorrow the usual Sunday evening organ concert will be played by Madame Clement and the feature of the day's program will be Gladys Walton, the beautiful Universal star, in "All Dolled Up." The seventh episode of "The Son of Tarzan" will be shown while Pathe News and Topics of the Day round out the big bill.

EXPERT TELLS WHY PURE SODA WATER IS REAL FOOD

CONTAINS SUGAR AND THAT IS NECESSARY; FURNISHES HEAT AND ENERGY

By FRANCIS J. W. HENRY

Appetite is a wonderful thing.

It is nature's way of telling us the kind of food we need to keep us healthy; and when to eat, and how much to eat—and drink.

And nature rarely goes wrong, unless our mode of living has given us abnormal appetites or thirsts.

When a healthy person craves something very sour, and is not happy till that lemon is sucked or pickle eaten, it is a sign that there is some reason why that sort of food is needed at that particular time.

So, too, with the "Sweet Tooth"—it indicates that sugar, in some form, is needed by the wonderful human machine.

Did you know that sugar is almost exactly the same chemical substance as coal, only in a different form?

And that sugar is needed to furnish heat and energy to the "boilers" that drive the human engine exactly in the same way that coal is needed to supply heat and energy to drive a steam engine.

Burns Like Coal Under Boiler

Sugar is pure carbohydrate, which means a combination of pure carbon with pure water. The air we breathe oxidizes or "burns" the carbon in the blood on exactly the same principle as air oxidizes or burns coal in a boiler furnace; only, of course, in a different and slower way. And in each, the product of combustion is heat and energy.

Pale, shivery, easily fatigued, nervous people—especially in childhood—are in that unhappy condition either because they don't get enough sugar to supply energy as fast as they are using it up, or because they don't digest the sugar that they do eat or drink.

Children need a tremendous lot of this sugar-fuel, because they are such high-pressure, high-speed little "engines" of energy.

So when they beg for candy or ice cream or soda it is because they need more sweets—more carbo-hydrate—in their blood.

More Easily Digested

Every eight-ounce glass of pure soda water contains one ounce of pure sugar syrup. Sugar in this form is more easily digested and more healthful than in any other, for three reasons:

First—Because the "bite" of the little carbonic gas bubbles in the mouth and on the tongue makes you drink soda water slowly, and therefore, mix it thoroughly with saliva—nature's chemical created for the purpose of digesting sugars and starches.

Second—Because the tickling of the same little bubbles in the stomach makes the walls of the stomach get busy at once and absorb this form of energy-food into the blood.

Third—Because the same gas prevents the fermentation of sugar in the stomach, something that often happens when a lot of candy or sugar is gulped down without half chewing.

FIND PLEASURE BY SUMMER OUTINGS IN NASH CAR

CALL OF THE ROAD WILL BE HEARD BY MANY WHO PICK OUT DEPENDABLE AUTO

"I feel the call of the open road," said E. B. Sutton of the Glendale Nash Sales of 207 North Brand boulevard yesterday afternoon, as he ordered a water cooler.

"And I know a whole lot of Glendale people who are going to enjoy their summer touring the hills in their Nash Six or Nash Four this year, too," he added.

"Every warm day brings us inquiries about the dependable motor-car, for which we are distributors, and this is what we tell them:

"You buy with a Nash a relationship with this company which we are desirous to see continue with mutual satisfaction. It is our purpose to keep you happy and contented with your car and its daily performances.

"The Glendale Nash Sales holds service paramount. And we are exceptionally well prepared to provide you Nash service in every way up to our high standards. The Nash owner may never heed this service, but if he does he has the assurance that it is always promptly available."

Humorous Features Of Chicken Farm Shown

The humorous side of chicken farming is admirably pictured in Douglas MacLean's latest Paramount-Ince comedy, "Chickens," which is shown at the Palace Grand Theatre today. Mr. MacLean has the role of a city chap, who has an idea that he can raise blooded fowl on egg plant exclusively, but who is finally undeceived, when his plans go awry.

MacLean is admirably supported by Gladys George, and a cast which includes Charles Mailes, Al. Filson, Edith Yorke, and others equally well-known to picture followers.

"Chickens" was adapted to the screen by Agnes Christine Johnston from the story, "Yanconna Yillies," by Herschel S. Hall. Jack Nelson directed under the personal supervision of Thomas H. Ince.

"The Toonerville Fire Brigade" is the second half of the comedy bill which should be especially attractive among the young folks who want to laugh or the old folks who would stay young by enjoying life.

"Lying Lips," a Thomas H. Ince production, is Sunday and Monday's feature at the Palace Grand and is surrounded by other numbers which will please the patrons.

SHE KNEW THE SYMPTOMS

"Madam," announced the new maid, "your husband is lying unconscious in the reception hall, with a large box beside hi mand crushing a paper in his hand."

"Ah," cried her mistress in ecstacy, "my new hat has come."

The remains of an imposing temple have been unearthed by Greek archeologists at Renas in Thessaly. The temple is in an excellent state of preservation and is as large as the Temple of Jupiter at Olympia. Inscriptions in bronze establish the date of 400 B. C.

Ford
THE UNIVERSAL CAR

Fordson
The Fordson Tractor Has Entered the Industrial Field!

Every one knows the unparalleled popularity it has met in farming districts, taking the place of horses in general work. Now comes the Fordson equipped with rubber-tired wheels, which promises to take the place of powerful trucks in hauling heavy loads. It is being used by cities, factories, contractors, coal and building supply dealers, road scraping companies and in the oil fields, in place of trucks and teams.

Its stationary uses are extremely varied, and in fact, almost unlimited. It is now being used with belt pulley attachment, generating twenty horse power, to pump water, with rock-crushing machine, oil well driller, timber cutter, cement mixer and on the farm as a combined thrasher and bailer.

Ask us for the booklet, "The Fordson at Work," which reveals the wonderful utility of this machine; or better still, call on any of the following dealers for a demonstration:

Insist on genuine FORD PARTS

Children Will Give 'The Little Princess'

A play to be presented by a cast composed entirely of children is something unusual in the way of entertainments given in Glendale. The following children of the Pearl Keller school are included in the cast of "The Little Princess," a play for children and grown-up children in three acts:

Cecilia Mae Fischer, Evelyn Hunt, Doris Packer, Marie Hearnshaw, Elizabeth Turner, Glen Hitchcock, Shirley Hitchcock, Ethelwyne Kent, Howard Kent, Beatrice Turner, Leona Hunt, Grace Yarbrough, Dorothy Dutton, Julia Pelley, Clara Clark, Blossom Moore, Ann Elizabeth Wilkinson, Marjorie Hart and Billy Justema.

The rehearsals are progressing in a very satisfactory manner and the work being done by the young pupils of the school is of the highest grade. It is doubtful if it would be possible to secure another cast, composed almost entirely of children, who could handle the difficult roles in the manner in which these children are doing.

The leading part is being taken by Cecilia Mae Fischer, daughter of Mr. and Mrs. Charles B. Fischer of Burbank. This part calls for more work than is ordinarily given to a leading character in a three-act play, but the part is being handled most satisfactorily.

The part of Ermengarde is one of the most difficult to handle in the entire cast. This part is being taken by Evelyn Hunt, and the work that she is doing in the role of the chum of "The Little Princess" proves the exceptional ability of Miss Hunt for dramatic work.

PHILADELPHIA DIAMOND GRID BATTERY
With the PHILCO Slotted Retainer
Guaranteed For Two Years

MOST Automobile Starting and Lighting Batteries are not guaranteed at all. Some are guaranteed for short periods. Others are guaranteed by the Service Stations that sell them and not by the manufacturers.

None of these gives you the business-like protection and assurance of continuous, satisfactory service that you should have.

Mind you, we do not claim that there are no other good batteries—for there are. But we do claim that the Philadelphia Diamond Grid Battery, with its two exclusive engineering features—the Diamond Grid—built like a bridge for strength—and the Philco Slotted Retainer, is more than a "good" battery—

It is a battery whose engineering betterments justify the manufacturers in backing their confidence in it by its Two Year Guarantee.

BUICK CLIMBS UP MT. TAMALPAIS OVER TIES

RUGGED MOUNTAIN FAILS TO STOP CAR; TESTS EASE OF ITS CONTROL

The latest feat of the 1921 Buick is climbing to the top of Mount Tamalpais over the railroad ties. Such an unique feat as climbing to the top of this rugged mountain by way of the "crookedest railroad in the world" astonished alike both hikers who had climbed the dizzy heights of the mountain and guests at the hotel at the summit, who are still discussing the remarkable hill-climbing qualities of the Buick, for which Tanner & Hall are the local agents.

The railroad includes 281 curves, most of them being of the hairpin variety. The car used was a regular stock model Buick with cord tires. After the summit had been reached the automobile was turned around and the Buick drivers began the precipitous descent, which tested the ease of control of this popular car.

Notwithstanding being forced to jump the tracks which were met at the switches and the bumpy nature of the ties and sharp curves, the Buick traveled in as fast time as the gravity train makes the journey from the summit to the bottom of the grade.

Know Where Fairmont Street Is Located?

Where is Fairmont street? That is the question frequently asked and is many times unanswered. Maps of the city of Glendale show Fairmont street as being located between Doran street and Pioneer Drive. Fairmont is often times confused with Fairview, which is located east of Brand boulevard. Fairmont street is one block long, beginning at Pacific avenue, and is located between Patterson avenue and Pioneer Drive.

This month marks the sixty-ninth anniversary of the publication in book form of "Uncle Tom's Cabin." The story still lives on the speaking stage and in the cinema, as in literature.

NOTICE OF AWARD OF CONTRACT

PURSUANT TO STATUTE AND TO THE RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DIRECTING THIS NOTICE.

Notice is hereby given that the said Board of Trustees, in open session, on the 21st day of April, 1921, publicly opened, examined and declared all sealed proposals or bids for doing the following work ordered in said City, to-wit:

First: That Dayton Court between the southerly curb line of California Avenue and the northerly curb line of Wilson Avenue; including all intersections of streets or alleys except those portions as are already graded to the official line and grade, be graded to the official grade heretofore established therefor, the same to be done in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

Second: That a cement sidewalk of the width of four (4) feet be constructed along each side of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, except where sidewalk is already constructed to the official line and grade. Said work to be done in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Third: That a cement curb of the class designated as Class "B" in the hereinafter referred to Specifications (except said curbs shall have a depth of twelve (12) inches) be constructed along each side of the roadway of Dayton Court from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all returns at all intersecting streets or alleys, except where said curbs have already been constructed to the official lines and grade. Said curbs shall be constructed in accordance with plans and cross-sections No. 398, Profile No. 734 and in accordance with Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 31.

Fourth: That all of the roadway of Dayton Court between the curb lines from the southerly curb line of California Avenue to the northerly curb line of Wilson Avenue, including all intersections of streets and alleys be oiled and surfaced in accordance with plans and cross-sections No. 398, Profile No. 734 and Specifications for said work adopted by Resolution No. 1157 of the Board of Trustees of the City of Glendale and known as Specifications No. 34.

That said contemplated work or improvement in the opinion of said Board of Trustees is of more than local or ordinary public benefit and will affect and benefit the lands and district hereinafter described and said Board of Trustees declares that the district in said City of Glendale benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is all that portion of said City included within the following exterior boundary lines, to-wit:

Beginning at a point on the northerly line of Lot 2 of the Byram Tract as per Map recorded in Book 12, Page 46 of Maps, Records of Los Angeles County, California, said point being one hundred and seventy-eight hundredths (100.78) feet west of the westerly line of Dayton Court; thence southerly and parallel to the westerly line of Dayton Court distant one hundred and seventy-eight hundredths (100.78) feet westerly therefrom across Lots 2, 4, 6, 8, and 10, of said Byram Tract to the northwesterly corner of Lot 32, Block 3 of the Town of Glendale as per map recorded in Book 21, Pages 89 and 90, Miscellaneous Records of Los Angeles County, California; thence southwesterly along the westerly lines of Lots 32, 31 and 30, Block 3, of said Town of Glendale to the southwesterly corner of said Lot 30; thence southerly in a direct line across an alley to the northwesterly corner of Lot 29, Block 3 of said Town of Glendale; thence southerly along the westerly line of Lots 29, 28 and 27, Block 3, of said Town of Glendale to the northerly line of Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Dayton Court and Wilson Avenue; thence easterly in a direct line across Dayton Court to the northeasterly corner of Dayton Court and Wilson Avenue; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Wilson Avenue and Cedar Street; thence northerly along the westerly line of Cedar Street to the southwesterly corner of Cedar Street and California Avenue; thence westerly along the southerly line of California Avenue to the southeasterly corner of California Avenue and Dayton Court; thence westerly in a direct line across Dayton Court to the southwesterly corner of Dayton Court and California Avenue; thence westerly along the southerly line of California Avenue to the point of beginning, excepting therefrom any portion of any public street or alley which may be included in the above described district. Reference is hereby made to Map No. 385 in which the assessment district referred to is shown within red colored border lines.

The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of Twenty-five ($25.00) Dollars or over for the costs of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second days of January and July respectively of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest is paid.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and the amendments thereto.

All Maps, Cross-Sections, Plans and Profiles referred to in this notice are on file in the office of the City Engineer of said City. All specifications referred to in this Resolution are on file in the office of the City Clerk of said City. Said Map, Plans, Cross-Sections, Profiles and Specifications are hereby referred to for a more particular description of said work and made a part hereof.

Reference is hereby made to Resolution of Intention No. 1177, of said Board of Trustees, to order the doing of said work, for further particulars.

And thereafter, on the 28th day of April, 1921, said Board of Trustees awarded the contract for said work to the lowest regular responsible bidder, to-wit:

Peter L. Ferry, at the price named for said work in his proposal or bid on file with the City Clerk as fol-
